**MIRACLE SPORTS** of Tallahassee

Through the Miracle Sports program, children and adults of all abilities are provided the opportunity to play sports where they feel accepted, included, and valued in a team sport inclusive environment. Sports are adapted to meet individual needs.

The Miracle Sports program enables people of all abilities to benefit from improved physical, mental, emotional, social and vocational well-being. Miracle Sports enhances self-esteem and individual competency and improves the quality of life of the athletes.

# HOW TO GET INVOLVED

## PLAYERS

Players and families are what this program is about. Everyone plays in an inclusive recreation environment and any reasonable accommodations needed are made to ensure the safety and full participation of each player.

## BUDDIES

Buddies are the players and cheerleaders that volunteer to help with Miracle Sports. This is the perfect opportunity for individuals, school groups (like FSU Sport Management), faith-based organizations, families, and the community to get involved and make a difference in someone's life.

## PARTNERS

Our Partner contributions and your donations are what keep Miracle Sports going. Donations from our community continue to provide the endless opportunities this program offers.
